

COMMUNICATION AND GRAPHIC DESIGN INTERN

ESN Italy is searching for a motivated and dedicated person who loves communication and international environment. ESN Italy promotes Erasmus+ and helps international students on their exchange in Italy..

Main task and responsibilities:

- Promotional material creation;
- Social network management (social communication);
- Blog and web content creation;
- Photomaking/Videomaking;
- Graphic design;
- Digital marketing;
- Project management and project design;
- Event organisation and attendance.

Desired skills:

- Languages: Italian B1, English B1;
- Google Apps: Drive, Gmail, GDocs;
- Adobe Suite (Photoshop, Illustrator) and/or Canva;
- Social Networks: Facebook, Instagram, Twitter, Youtube;
- Video editing software;
- Web editing and programming is a plus;
- Multitasking, Proactivity and ability to work in a team;
- Experience in ESN or other NGO is a plus;
- Former Erasmus experience is a plus.

ESN Italy will provide the intern with tools necessary for work, the monthly Rome travel card, an ESNcard (ESN membership and discount card) and assistance in finding suitable

accommodation in Rome. There is no financial compensation for the internship, and ESN Italy is accepting applicants with the **Erasmus+ internship grants**. All candidates must meet all the necessary requirements to work in Italy.

ESN Italy is accepting applications on a rolling basis. Working hours are flexible and they can range from part-time to full-time commitment according to the agreement between ESN Italy and the trainee. Duration of the internship can range from 4 months to 12 months and the beginning is also agreed between the trainee and ESN Italy.

In order to apply for the position send an email with attached your CV and motivation letter to applications@esn.it.
